Season's Greetings To Our Friends and Contributors

With the coming of the Christmas season and the close of another year, our thoughts are turned once again to the many friends whose contributions of funds and service have sustained our Chapter, and the great volume of work it has accomplished.

This Christmas let us give thanks to God for our countless blessings and as a nation of free people, let us pray for the less fortunate, that they might find hope and happiness in the years ahead.

We would feel that a large debt had been left unpaid, were we not again to express our thanks to you for the fine cooperation you have given us. On behalf of myself, and my associates of the local Chapter, I sincerely hope that the New Year will bring you continuous health, peace and prosperity.

Cordially yours,
Clemence C. Bolton, Chairman
