Shaping For Beauty

We have had recent training by Mr. Bruno's School of Cosmetology, Torohto, Canada, in a new concept in shaping and styling, called the "Grecian Cut." This is positively the most beautiful cut to date. The shaping is perfect for all styles and is a "must" for permanents. If every line of the new coiffure is to "Comb"- smoothly for you it must be shaped in advance. Seek the Best, it doesn't cost any more. Open evenings by appointment.
